July 25th

The Holland-America liner Moerdyk sailed last night for the United Kingdom with passengers and 7000 tons of Pacific freight. She loaded here 3000 cases of oranges, 3000 cases of honey and a consignment of borax. The British refrigerator steamer Nebraska, in the joint service of Holland-America and Royal Mail, will arrive here from the United Kingdom on the 30th inst. Homeward, via the North Pacific, she will load out a large citrus cargo here.
